

- You are welcome to arrive with your horses starting at 5 pm on Wednesday, September 14th.
- All the horses should have up-to-date vaccinations.
- Please bring buckets with you, as the stalls in the guest stables are not equipped with feeders or drinkers.
- The bedding provided is straw. If your horses need shavings - please send me this information. We provide hay throughout the clinic.
- If necessary, it is also possible to connect your horsebox to electricity.
- There will be no possibility of using paddocks.

During the clinic, the persons responsible for coordinating the horses' stay in the guest stables are:

Agnieszka Hanc: 502 355 797

Anna Skrzypek: 500 086 026

- As I mentioned before, we invite you to dinner with Pat Parelli on Thursday after the lecture at 8:30 pm at La Maddalena restaurant. The invitation includes only the clinic's participants (no grooms or other extra guests). Please let me know if you need transport from the lecture venue to the restaurant - we can provide such an option.
- In connection with emerging questions, we would like to inform you that we do not provide transport from the Wrocław Racecourse - Partynice to the place of the lecture, which will be held at the University of Life Sciences (Faculty of Biology and Animal Breeding), st. Chełmońskiego 38c in Wrocław.
- Regarding the organization of the classes, Pat Parelli asks that the horses should not be saddled on Friday. Right before the clinic starts, you will all meet Pat in the arena (then without horses). After a 30-minute introduction, you will be divided into groups.

During the clinic, there will be food outlets and coffee service on site.

The timetable has not changed and looks as follows:
